

Angelic Organics Site Host Agreement

The area is a:

- Shaded porch
- Walkway
- Garage
- Other: _____

The site is available starting on _____, 20____.

The site can accommodate up to _____ boxes. Boxes are 10"w x 12"h x 16"d each.

The site typically has shareholder parking access within _____ feet.

The truck will typically be able to unload within _____ feet of the site.

There are _____ steps between the parking area and the box storage location.

There is space for a bulletin board and empty boxes (stored within a bin): Yes/No (circle one)

Shareholders can have access to the site from _____ a.m. until _____ p.m. for 24 deliveries from mid June through late November.

I will/will not (circle one) require that shareholders have a key to the site.

If I become a site host, it likely will/will not (circle one) be for more than a year.

Site Host Commitment:

- I realize that there may be unclaimed or lesser quality vegetables in the swap box which may need to be disposed of through composting or some other way.
- I am willing to take calls from shareholders and work out a mutually convenient alternative plan for them to pick up their box when unusual circumstances prevail.
- I realize there may be orphaned (unclaimed) boxes of produce and it will be my responsibility to contact shareholders who have not checked off their name on the weekly shareholder checklist to remind them to pick up their box. If they fail to pick up their box after being notified, I will distribute it as I desire.
- If I am going to be absent from my site for any reason, I will make arrangements for someone else (family member, neighbor, other shareholder) to monitor the site in my absence.
- If I become a site host, I will do my best to make my site available for at least the whole season.
