◆ Purchasing a Fruit box allows you to follow the seasonality of the organic fruit harvest and support many farmers known for growing exceptionally tasty varieties. The Fruit box is your ticket to learn more about your food.

◆ See the reverse to sign up! See our web site at <http://www.angelicorganics.com/Fruit> for fruit FAQ's.

Alternate Payment Plan:

If you wish to divide the payment, please write out 2 checks, each covering half of the total. Date one check for today; post date the 2nd check for any date up until 3 months from the date of your first check. **Send both checks with your sign-up.** We won't deposit the 2nd check until its date.

Fruit boxes supplement your Angelic Organics vegetable experience. Unlike the vegetables which are all grown on our farm in North-Central Illinois, the Fruit comes from orchards and groves across the country. For information about vegetable shares visit our web site.

2010 Fruit Box Sign-up Form

Angelic Organics announces Fruit boxes for 2010!

Imagine having your own expert Fruit Buyer searching the country for special, fresh, high quality, tree ripened, organic fruit. And imagine having a closer relationship to the fruit and the farms who grow it. Add to this the delivery of the fruit to a location near you. This is all now possible through the Angelic Organics Fruit box. Here's how it will work...

◆ Fruit boxes will be delivered along with vegetable shares **except** they will be **every other week** instead of every week (you must purchase a vegetable share in order to purchase a fruit box).

◆ Fruit boxes will cost **\$430** for 10 deliveries (w/ 20-week shares) or **\$258** for 6 deliveries (w/ 12-week shares), plus, if you choose, an extra **\$86** for 2 winter deliveries.

◆ Fruit boxes will likely be 1/2 to 5/9 of a bushel but due to the more delicate handling requirements of fruit, there may be only one layer of produce in a delivery. You can expect anywhere from 8 to 20 pounds of fruit, consisting of 20-35 pieces, suitable for 2-4 people. The Fruit boxes are designed to be eaten over 7-14 days. Special handling instructions & a customized Fruit box newsletter will accompany each box.

◆ See the reverse for the fruits you can expect and when. Visit <http://www.angelicorganics.com/Fruit> for fruit FAQ's.

◆ To sign-up, fill in your name and check-off your desired options on the right.

Sign me up! I have signed up for a 2010 20-week vegetable share & I wish to also receive a 2010 Fruit box with the following options...

10 bi-weekly deliveries of fresh, organic fruit (delivered during the **20-week** vegetable share). Enclosed is my payment for **\$430**.

Further, I wish to extend my Fruit box w/ **2** deliveries during the **winter** vegetable share. (You must be signed up for a winter vegetable share in order to add this option.) I've increased my payment by **\$86**.

Email or Call the farm at CSA@AngelicOrganics.com or 815-389-2746 if you have any questions.

Name (please print)

As always, you may use our Alternate Payment Plan as described on the reverse.
